Kingdom Life

Larry Barden 2009-03

There is life beyond church! The church in America is at one of the most critical junctures in history. For years she has been irrelevant, unimportant, and unnecessary to our culture. In attempting to counteract this, leaders in Christendom have changed the message, the style, and the label of the church experience to become more relevant, when in essence they have only created seeker-sensitive models that continue to be ineffective. The challenge lies within the model itself. In Kingdom Life you will discover: Why current church models are failing in America, why your church experience often leaves you empty inside, the true freedom and blessing that is found in the kingdom of God, how the kingdom model can genuinely change your life, how to restructure your current ministry model into one that expresses the kingdom. "Every believer can discover God's kingdom." John Mason, Best-selling Author of An Enemy Called Average "Transition from a traditional mind-set to a powerful kingdom paradigm." Barbara Wentroble, Author, and Founder of Breakthrough International Ministries "You will rejoice and weep as you read this book." Bobbie Jean Merck, Founder/President, A Great Love Ministries "Reset your course through Jesus' message on the kingdom."

The story is about two mums and their children. One mum says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!
