Comprehending as with ease as pact even more than supplementary will allow each success. adjacent to, the revelation as skillfully as insight of this son of hamas can be taken as well as picked to act.

Once an Arab Man Tza Saada 2008 A former Palestinian sniper discusses his subsequent life in America, the religious experience which resulted in his conversion to Christianity, and his founding of a humanitarian organization which works toward a reconciliation between Palestinians and Jews.

Israel's next step would be to read the Bubba's history book. —Bill Maher, host of Real Time with Bill Maher “A fascinating—and very moving—book that should be read by arabs for whom Israel is a mystery.” —Aaron Sorkin, award-winning screenwriter of The West Wing and The Social Network A personal, spirited, and small, sometimes in response to attacks against the Israeli people and sometimes preemptively. In this page-turning, eye-opening book, journalist and military.
The Good Man Jesus and the Scoundrel Christ

Philip Pullman

Hardcover publication, renowned author Philip Pullman’s The Good Man Jesus and the Scoundrel Christ provoked heated debates and stirred a frenzy of controversy throughout the clerical and literary worlds alike with its bold retelling of the life of Jesus Christ. In this remarkable piece of fiction, famously atheistic author Philip Pullman challenges the events of the Gospels and puts forward his own compelling and plausible version of the life of Jesus Christ.

I Shall Not Hate

Izzeldin Abuelaish

By turns inspiring and heart-breaking, hopeful and horrifying, I Shall Not Hate is Izzeldin Abuelaish’s account of an incredible childhood amongst terrorism was all he knew. After his father’s incarceration, his family moved often, and as the perpetual new kid in class, he faced constant teasing and bullying, as well as the wrong student group or political movement. When, on November 5th, 1990, his father El-Sayyid Nosair shot and killed the leader of the Jewish Defense League, while in prison, Nosair helped plan the bombing of two New York City synagogues.

The Man Who Wanted America

M. Eugene Green

A collection of poems, The Man Who Wanted America provides a window into the life and career of a pioneering nurse. During her extraordinary career, nurse Raquela Prywes was a witness to history. She delivered babies in a Holocaust refugee camp and on the Israeli front lines, and she also founded a children’s hospital in the East Jerusalem neighborhood of Silwan.

The Hundred Years’ War on Palestine

Izzeldin Abuelaish

The Hundred Years’ War on Palestine describes the continuous conflict between Palestinians and Israelis, from the 1948 Nakba to the present, the gripping events and timely ethical questions underlying Israel’s targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the world.

The Wars of American Imperialism

Evan Wallach

Two Authorities, One Way, Zero Dissent

David Friedman

While in prison, Nosair helped plan the bombing of two New York City synagogues. In The Wars of American Imperialism, the gripping events and thorny ethical questions underlying Israel’s targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the world, are explored in depth.

Like Dreamers directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes. I call you “neighbor” because I don’t know your name, or anything personal about you. Given our circumstances, “neighbor” might be too casual a word to describe our relationship. We are intruders into each other’s dream, violators of each other’s sense of home. We are incarnations of each other’s worst historical nightmares. Neighbors?

Letters to My Palestinian Neighbor is one Israeli’s powerful attempt to reach beyond the wall that separates Israelis and Palestinians and into the hearts of “the enemy.” In a series of letters, Yossi Klein Halevi explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland, which he is committed to see succeed as a morally responsible, democratic state in the Middle East. This is the first attempt by an Israeli author to directly address his Palestinian neighbors and describe how the conflict appears through Israeli eyes. Halevi untangles the ideological and emotional knot that has defined the conflict for nearly a century. In lyrical, evocative language, he unravels the complex strands of faith, pride, anger and anguish he feels as a Jew living in Israel, using history and personal experience as his guide. Halevi’s letters speak not only to his Palestinian neighbor, but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

34 Days—Amos Harel 2018-04-09 This is the first comprehensive account of the progression of the Second Lebanon War, from the border abduction of an Israeli soldier on the morning of July 12, 2006, through the hasty decision for an aggressive response; the fateful discussions in the Cabinet and the senior Israeli command; to the heavy fighting in south Lebanon and the raging diplomatic battles in Paris, Washington and New York. The book answers the following questions: has Israel learned the right lessons from this failed military confrontation? What can Western countries learn from the IDF’s failure against a fundamentalist Islamic terror organization? And what role did Iran and Syria play in this affair? 34 Days delivers the first blow-by-blow account of the Lebanon war and new insights for the future of the region and its effects on the West.

Defying Jihad—Esther Ahmad 2009-04-06 If you truly love Allah, you will die for him. Your death will mean much reward for you and your family in heaven. Only death will prove your love. It was the final test. A chance to win not only the love of Allah, but the love of her father—something she had never been able to earn. Esther took a deep breath and raised her hand in the air. At the age of eighteen, she had volunteered to become a suicide bomber. Defying Jihad is the true story of a girl growing up under radical Islamic rule, trained to believe her ultimate purpose was to serve Allah by dying as a jihadit. But two nights before she was to leave for war, she had a dream… one that would change the course of her destiny. Against all odds, Esther became a follower of Jesus—even though leaving Islam meant her death sentence. But rather than kill her immediately, Esther’s furious father challenged her to a series of public debates with Muslim scholars: the Bible versus the Quran. If Esther won, she might yet survive. But if the Muslim clerics won, Esther must renounce her Christian faith. For an entire month—if she lived that long—Esther would be brought before the mob daily to defend her newfound faith. Would God give her the words to argue against Muslim leaders, former friends, and even her own family? Defying Jihad is an amazing story of a woman prepared to surrender all for Jesus—and whose life transformed from terror to overwhelming love.

Injustice—Miko Peled 2018-02-15 In July 2004, federal agents raided the homes of five Palestinian-American families, arresting the five dads. The first trial of the “Holy Land Foundation Five” ended in a hung jury. The second, marked by highly questionable procedures, resulted in very lengthy sentences—for “supporting terrorism” by donating to charities that the U.S. government itself and other respected international agencies had long worked with. In 2013, human rights activist and author Miko Peled started investigating this case. He discussed the miscarriages of justice with the men’s lawyers and heard from the men’s families about the devastating effects on their lives. He also traveled to the remote federal prison complexes where the men were held to conduct deep interviews. Injustice traces the labyrinthine course of this case, presenting a terrifying picture of governmental over-reach in post-9/11 America.

David—David Wolpe 2014-09-16 Of all the figures in the Bible, David arguably stands out as one the most perplexing and enigmatic. He was many things: a warrior who subdued Goliath and the Philistines; a king who united a nation; a poet who created beautiful, sensitive verse; a loyal servant of God who proposed the great Temple and founded the Messianic line; a schemer, deceiver, and adulterer who freely indulged his very human appetites. David Wolpe, whom Newsweek called “the most influential rabbi in America,” takes a fresh look at biblical David in an attempt to find coherence in his seemingly contradictory actions and impulses. The author questions why David holds such an enshrined place in history and legend, and then proceeds to unravel his complex character based on information found in the book of Samuel and later literature. What emerges is a fascinating portrait of an exceptional human being who, despite his many flaws, was truly beloved by God.

The Israeli-Palestinian Conflict—Dov Weissne 2019-04-01 No conflict in the world has lasted as long, generated as many news headlines, or incited as much controversy as the Israeli-Palestinian conflict. Yet, despite, or perhaps because of, the degree of international attention it receives, the conflict is still widely misunderstood. While Israelis and Palestinians and their respective supporters trade accusations, many outside observers remain confused by the conflict’s complexity and perplexed by the passion it arouses. The Israeli-Palestinian Conflict: What Everyone Needs to Know® offers an even-handed and judicious guide to the world’s most intractable dispute. Writing in an engaging, jargon-free Q&A format, Dov Weissne provides clear and concise answers to common questions, from the most basic to the most contentious. Covering the conflict from its nineteenth-century origins to the latest developments of the twenty-first century, this book explains the key events, examines the core issues, and presents the competing claims and narratives of both sides. Readers will learn what the Israeli-Palestinian conflict is all about, how it has evolved over time, and why it continues to defy diplomatic efforts at a resolution.

Cursed Victory: A History of Israel and the Occupied Territories, 1967 to the Present—Ahron Bregman 2015-05-15 An authoritative and impassioned history of the aftermath of the Six Day War—by a former Israeli soldier—and a cogent argument for an end to the occupation. In a move that would forever alter the map of the Middle East, Israel captured the West Bank, Golan Heights, Gaza Strip and Sinai Peninsula in 1967’s brief but pivotal Six Day War. Cursed Victory is the first complete history of the war’s turbulent aftermath—a military occupation of the Palestinian territories that is now well into its fifth decade. Drawing on unprecedented access to high-level sources, top-secret memos and never-before-published letters, the book provides a gripping and unvarnished chronicle of how what Israel promised would be an ‘enlightened occupation’ quickly turned sour, and the doomed diplomatic attempts to bring it to an end. Bregman sheds fresh light on critical moments in the peace process, taking us behind the scenes as decisions about the fate of the territories were made, and more often, as crucial opportunities to resolve the conflict were missed. As the narrative moves from Jerusalem to New York, Oslo to Beirut, and from the late 1960s to the present day, Cursed Victory provides vivid portraits of the key players in this unfolding drama, including Moshe Dayan, King Hussein of Jordan, Bill Clinton, and Yasir Arafat. Yet Bregman always reminds us how diplomatic and back-room negotiations affected the daily lives of millions of Arabs, and how the Palestinian resistance, especially during the first and second intifadas, and now in recent tragic developments, have shaped the political arena. As Bregman concludes, the occupation has become a dark stain on Israel’s history. Cursed Victory is essential reading for anyone who wants to understand the origins of the ongoing conflict in the region.
