If I Should Die is the astounding debut from British author Matthew Frank. ----------

When a homeless man walks into Greenwich police station and confesses a killing, it should be the admission that cracks open a murder enquiry. Instead, he stumbles out on to the street and collapses, bleeding from a stab wound he's attempted to repair himself . . .

The newest member of the Met's murder investigation team, twenty-five year-old Afghan veteran Joseph Stark, doesn't believe the man's story. Yet it becomes clear that Stark and the down-and-out share a connection. And that this could provide the key to unlocking the case. Soon, the young detective and his colleagues are drawn deeper into a dark, disturbing world as dangerous as anything Stark has known on the frontline. And where there's enough at stake for a man to risk everything . . .

If I Should Die is the first title in a new crime series, and outstanding characterization, pitch perfect dialogue and precision plotting mark out Matthew Frank as a debut writer to watch. If I Should Die Before I Live - Richard Renwick Smyth 2017-10-24 A disquieting question persists: "What if I should die before I feel life is full?" It is deeply personal, hauntingly spiritual. It's a challenge to re-visit beliefs and the dynamics of faith, love, hope. Exploration brings a fresh encounter: the human and spiritual elements of "self." These are not contending identities; each supplies unique initiatives for life’s fullness. Both need nurturing; either can be ignored. Spiritual experience makes promise and mystery real; this enhances earthly achievements. These Meditations focus...
on spiritual vitality—especially for seniors. They reach beyond a biological birth-death time-frame. They touch on continuity beyond earth-time. God’s initiatives enrich the spiritual self—grace energizes faith. This generates and motivates people to offer acts of love. Love fosters grander character and perspective, wholesome relationships, healing for the heart-hungry/heart-broken. The outcome: a healthier self experiencing joy and peace—wholeness for life beyond death. Richard Smyth’s missionary service in India was designated “church development.” The Indian church prepared for autonomy, to assure continuity of American mission initiatives. “Development” involved identifying and implementing specific ministries. The challenge: match peoples’ needs with relevant opportunities. This affected worship/activity in local congregations as well as their outreach efforts. The goal: design culturally valid strategies, structures and services for the church’s mission, organization, workers. An emphasis was proper leadership and resources. He built up a multi-cultural congregation in one of New Delhi’s new suburban areas. This housed government, business and military personnel called to national offices. The congregation’s focus: build strong fellowship ties and initiate outreach services in the community. This pattern was used for nation-wide training programs by denominational and para-church groups. The last 15 years expanded the ministry to facilitate similar transitions by mission institutions in 14 Asia/Pacific nations. Richard and Sylvia Smyth retired in 1998; they reside in Asheville, North Carolina. Their family of 5 Indian children and spouses, grandchildren and great-grandchildren live in New Delhi, Manila, Dubai and Stockholm.

**If I Should Die**-Tom Edwards 2018-10-13 This is a story of Africa, shown at
its cruelest and most tender moments. It is also a story of violence set against the breathtaking beauty of the land, where cicadas sing their interminable song, and elephants gambol in mud holes. It is a story of vengeance and endurance, not about black versus white, but of resistance to the winds of change, the drawing in of empires, and the global trend towards righting past wrongs. It is where Sergeant Bob Wilson and his men fight a war they know they cannot win, but fight it anyway, because it is their job. Appalling events personalise the conflict into a brutal contest between the best man each side has to offer: Sergeant Wilson against Chaka, the leader of a terrorist band. Severely wounded and taken across the border for interrogation, Sergeant Wilson is beyond pain. Bob’s fiancée Sally Ferguson attempts to discover where he is being held. With the ill-conceived idea of rescuing Bob, she instead finds herself in a life-and-death situation. This is also a story of love and passion. The novel is unremitting in its action. The truth is, much of this story could easily have taken place in real life. Set in “Nyanga,” a make-believe African nation, those who have been in Africa will know where this country is.

If I Should Die Before I Wake—Eileen Munro 2011-07-07 In her bestselling memoir As I Lay Me Down to Sleep, Eileen Munro vividly documented the abuse she experienced at the hands of her adoptive parents and, later, within the care system. The birth of Eileen’s son, Craig, and her escape from the authorities' clutches should have seen her turn a corner, but she remains haunted by the spectre of her past. In If I Should Die Before I Wake, Eileen chronicles her search for her real parents and her battle for an education for both Craig and herself. She faces exploitation, suffers further sexual and physical abuse, and endures periods of homelessness and
bad health. Still she perseveres, clinging to her hopes for the future, until she eventually finds the sense of belonging that has previously eluded her. In this harrowing but ultimately inspirational second volume of memoir, Eileen Munro proves that, against all the odds, happiness does sometimes come to those who never give up hope.

If I Should Die Before I Wake, I Pray the Lord My Soul to Take-Gary Chattman 2012-02-01 Imagine you have become two different people. Today you are in the present, studying for your Bar Mitzvah. Then, suddenly, you dream that you have been transported back in time to Poland, and become caught in the Holocaust. Then you dream that you are in Poland in the Middle Ages. You are to be eradicated by gentile society that sees Jews as not chosen, but sub-human. How do you react? What is the true reality? How can you survive? What does it mean to be a Jew, today or then? And what about God? Is God listening to us? Does God care? Imagine you are Reuben Maimon, an impressionable young man of almost 13, about to take his Bar Mitzvah vows. He must question who he is, and what the ceremony’s purpose is. What is the point of a modern Bar/Bat Mitzvah if it doesn’t give Jews a link with the past? Imagine you are Reuben Maimon living these two different lives with the same cast of people, and not knowing what is the reality and what is the dream. Imagine what would happen if you die before you wake. Now imagine, if you were Reuben Maimon, if he should die before he wakes...Imagine. About the Author: Gary Chattman is a retired administrator/teacher who lives in Yonkers, New York. He is writing a play about the effects of Kristallnacht on German Jewish children. He is a Bar Mitzvah, piano, S.A.T., and school subjects’ teacher, as well as a college professor. Publisher’s website: http://www.sbpra.com/GaryChattma
