Greenlights--Matthew McConaughey 2020-10-20 From the Academy Award®-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. "Unflinchingly honest and remarkably candid, Matthew McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of The Subtle Art of Not Giving a F*ck I've been in life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptive beliefs about what matters, some great photographs, and a whole bunch ofbumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still. If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and sees, felt and figured-outs, cool and shameful. Graces, truths, and beauties of brutality. Getting away withs, getting caught, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infarmary, a spaceship to Mars without needing your pilot's license, going to church without having to go to church, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

The Negro Motorist Green Book--Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

A Bright Ray of Darkness--Ethan Hawke 2021 The blistering story of a young man making his Broadway debut in Henry IV just as his marriage implodes—an utterly transcfixating book about art and love, fame and heartbreak from the acclaimed actor/writer/director. Hawke's first novel in nearly twenty years is a bracing meditation on fame and celebrity, and the redemptive, healing power of art; a portrait of the ravages of disappointment and divorce; a poignant consideration of the rites of fatherhood and manhood; a novel soaked in rage and sex, longing and despair; and a passionate love letter to the world of theater. A Bright Ray of Darkness showcases Ethan Hawke's gifts as a novelist as never before. Hawke's narrator is a young man in torment, disguised with himself after the collapse of his marriage, still half-hoping for a reconciliation that would allow him to forgive himself and move on as he clumsily, and sometimes hilariously, tries to manage the wreckage of his personal life with whiskey and sex. What saves him is theater: in particular, the challenge of performing the role of Hotspur in a production of Henry IV under the leadership of a brilliant director, helmed by one of the most electrifying—and narcissistic—Fairstaff's of all time. Searing and raw, A Bright Ray of Darkness is a novel about shame and beauty and faith, and the moral power of art.

Original edition, not reproduced with Optical Recognition Software. A wealth of material on the technique of acting—a book which may be read, re-read and absorbed by everyone who assumes the directing of actors or that most difficult task, the teaching of acting."–Quarterly Journal of Speech. Contains early contributions on the craft by Stanislavski, I. Rapoport, M.A. Chekhov, Vakhtangov, Giansintova, Pudovkin, Zakhava and others. Also includes 25 illustrations related to the stage and the art of acting. Contents include: Introduction / Lee Straszbag – The actor’s responsibility / Constantin Stanislavski -- Direction and acting / Constantin Stanislavski -- The work of the actor / I. Rapoport -- The creative process / I. Sudakov -- Stanislavski's method of acting / M.A. Chekhov -- Preparing for the role: from the diary of E. Vakhtangov / E. Vakhtangov -- Case history of a role / A.S. Giansintova -- From the production plan of Othello / Constantin Stanislavski -- Film acting: two phases / V.I. Pudovkin -- Principles of directing / B.E. Zakhava -- To his players at the first rehearsal of The blue bird / Constantin Stanislavski.

Robert Redford-Michael Feeney Callan 2012-05 Draws on the actor, director, and producer's personal documents to offer insight into his complex life behind his famous roles, discussing the death of his son, his relationship with Sydney Pollack, and his establishment of the Sundance Film Festival.

The Book with No Pictures--B. J. Novak 2014 “In this book with no pictures, the reader has to say every silly word, no matter what.”--Face--Justine Bateman 2021-04-06 Writer/director/producer Justine Bateman examines the aggressive ways that society reacts to the aging of women's faces. "I can't think of anyone better than Justine Bateman to start the conversation about how we've devolved into a society that doesn't allow women to age. Bravo, brilliant, and unflinchingly honest, Justine is that writer you trust because she goes after every subject with a warrior's focus, and throws herself to the lions while she's at it. It doesn't hurt that she's a gorgeous woman who hasn't tried to erase an ounce of history from her face. I love the way she thinks, and am amazed at the many sublayers she manages to excavate while everyone else is scratching the surface."—Mary-Louise Parker, actress, author of Dear Mr. You "These honest, no-flinch vignettes about womanhood, beauty, and meaning will make you mad, break your heart, will have you longing for a better world, have you rooting for her, you will污 for all women. And you will stand up and cheer when Bateman slides into home plate with an ending of grace and revelation. Riveting read! Profound glimpses into the soul of our society."—Deh Olin Unferth, author of Barn 8 Face: One Square Foot of Skin is a book of fictional vignettes that examines the fear and vestigial evolutionary habits that have caused women and men to cultivate the imagined reality that older women's faces are unattractive, undesirable, and something to be “fixed.” Based on "older face" experiences of the author, Justine Bateman, and those of dozens of women and men she interviewed, the book presents the reader with the many root causes for society's often negative attitudes toward women's older faces. In doing so, Bateman rejects those ingrained assumptions about the necessity of fixing older women's faces, suggesting that we move on from judging a woman's worth based on the condition of her face. With impassioned prose and a laser-sharp eye, Bateman argues that a woman's confidence should grow as she ages, not be destroyed by society's misplaced attitude about that one square foot of skin.

Where the Crawdads Sing--Delia Owens 2018-08-14 #1 NEW YORK TIMES BESTSELLING PHENOMENON More than 6 million copies sold A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade “I can’t even express how much I love this book! I didn’t want this story to end!”—Reese Witherspoon "Painfully beautiful."—The New York Times Book Review For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for
times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actor—and, always, a little simply good enough. Her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartlessness. Inside Out is a story of survival, success, surrender—embracingly honest portrayal of one woman’s at once ordinary and iconic life.

The Boys—Ron Howard 2021-10-12 Happy Days, The Andy Griffith Show, Gentle Ben—these shows captivated millions of TV viewers in the ’60s and ’70s. Join award-winning filmmaker Ron Howard and audience-favorite actor Clint Howard as they frankly and fondly share their unusual family story of navigating and surviving life as sibling child actors. “What was it like to grow up on TV?” Ron Howard has been asked this question throughout his adult life. In The Boys, he and his younger brother, Clint, examine their childhoods in detail for the first time. For Ron, playing CJ on The Andy Griffith Show and Richie Cunningham on Happy Days offered fame, joy, and opportunity—but also invited stress and bullying. For Clint, a fast start on such programs as Gentile Ben and Star Trek petered out in adolescence, with some tough consequences and lessons. With the perspective of time and success—Ron as a filmmaker, producer, and Hollywood A-lister, Clint, as a husky character actor and father—Howards delve deep into an upbringing that seemed normal to them yet was anything but. Their Midwestern parents, Rance and Jean, moved to California to pursue their own showbiz dreams. But it was their young sons who found steady employment as actors. Rance put aside his ego and ambition to become Ron and Clint’s teacher, sage, and moral compass. Jean became their loving protector—and sons’ overprotector—from the snags and traps of Hollywood. By turns confessional, nostalgic, heartwarming, and harrowing, THE BOYS is a dual narrative that lifts the lid on the Howard brothers’ closely held lives. It’s the journey of a tight four-person family unit that held fast in an un forgiving business and of two brothers who survived “child-actor syndrome” to become fulfilled adults.

Between the World and Me—Ta-Nehisi Coates 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME’S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE WINNER • NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • ONE OF OPRAH’S “BOOKS THAT HELP ME THROUGH” • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as “required reading,” Between the World and Me is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. How does one live, and an American in particular, in a country whose very existence is built on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully written from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

My Policeman—Bethan Roberts 2012-02-02 An exquisitely told tragic tale of thwarted love. My Policeman is soon to be adapted into film by Amazon Prime starring Harry Styles and Emma Corrin. It is in 1950s’ Brighton that Marion first catches sight of Tom. He teaches her to swim in the shadow of the pier and Marion is smitten—determined her love will be enough for them both. A few years later in Brighton Museum Patrick meets Tom. Outside Out—Demi Moore 2019-09-24 INSTANT #1 NEW YORK TIMES BESTSELLER A Best Book of the Year: The New Yorker, The Guardian, The Sunday Times, The Daily Mail, Good Morning America. She Reads Famed David Garrick and the Actor’s Means—Leigh Alan Woods 1979
Patrick is besotted with Tom and opens his eyes to a glamorous, sophisticated new world. Tom is their policeman, and in this age it is safer for him to marry Marion. The two lovers must share him, until one of them breaks and three lives are destroyed. ‘A moving story of longing and frustration’ Observer

Twentieth Century Actor Training—Alison Hodge 2000 Actor training is arguably one of the most unique phenomena of 20th-century theatre making. This text analyses the theories, training exercises and productions of 14 key directors.

Nomadland: Surviving America in the Twenty-First Century—Jessica Bruder 2017-09-19 The inspiration for Chloé Zhao’s 2020 Golden Lion award-winning film starring Frances McDormand. ‘People who thought the 2008 financial collapse was over a long time ago need to meet the people Jessica Bruder got to know in this scrunching, beautifully written, vivid, disturbing (and occasionally wryly funny) book.’ —Rebecca Solnit From the beef fields of North Dakota to the campgrounds of California to Amazon's CamperForce program in Texas, employers have discovered a new, low-cost labor pool, made up largely of transient older adults. These invisible casualties of the Great Recession have taken to the road by the tens of thousands in RVs and modified vans, forming a growing community of nomads. Nomadland tells a revelatory tale of the dark underbelly of the American economy—one which foreshadows the precarious future that may await many more of us. At the same time, it celebrates the exceptional resilience and creativity of these Americans who have given up ordinary rootedness to survive, but have not given up hope.

The Routledge Companion to Actor-Network Theory—Anders Blok 2019-06-17 This companion explores ANT as an intellectual practice, tracking its movements and engagements with a wide range of other academic and activist projects. Showcasing the work of a diverse set of ‘second generation’ ANT scholars from around the world, it highlights the exciting depth and breadth of contemporary ANT and its future possibilities. The companion has 38 chapters, each answering a key question about ANT and its capacities. Early chapters explore ANT as an intellectual practice and highlight ANT’s dialogues with other fields and key theorists. Others open critical, provocative discussions of its limitations. Later sections explore how ANT has been developed in a range of social scientific fields and how it has been used to explore a range of politics of scale and sites. Chapters in the final section discuss ANT’s involvement in ‘real world’ endeavours such as disability and environmental activism, and even running a Chilean hospital. Each chapter contains an overview of relevant work and introduces original examples and ideas from the authors’ recent research. The chapters orient readers in rich, complex fields and can be read in any order or combination. Throughout the volume, authors mobilise ANT to explore and account for a range of exciting case studies: from wheelchair activism to parliamentary decision-making; from racial profiling to energy consumption monitoring; from queer sex to Korean cities. A comprehensive introduction by the editors explores the significance of ANT more broadly and provides an overview of the volume. The Routledge Companion to Actor-Network Theory will be an inspiring and lively companion to academics and advanced undergraduates and postgraduates from across many disciplines across the social sciences, including Sociology, Geography, Politics and Urban Studies, Environmental Studies and STS, and anyone wishing to engage with ANT, to understand what it has already been used to do and to imagine what it might do in the future.

We Don’t Need Roads—Caseen Gaines 2015 Long before Marty McFly and Doc Brown travelled through time in a flying DeLorean, director Robert Zemeckis, and his friend and writing partner Bob Gale, worked tirelessly to break into the industry with a bit. During their journey to realise their dream, they encountered unprecedented challenges and regularly took the difficult way out. For the first time ever, the story of how these two young filmmakers struck lightning with the Back to the Future trilogy is told by those who witnessed it.

The Office—Andy Greene 2020-03-24 AN INSTANT NEW YORK TIMES BESTSELLER The untold stories behind The Office, one of the most iconic shows from its origins on the BBC through its impressive nine-season run in America, with in-depth research and exclusive interviews. Fans will get the inside scoop on key episodes from “The Dundies” to “Threat Level Midnight” and “Goodbye, Michael,” including behind-the-scenes details like the battle to keep it on the air when NBC wanted to pull the plug after just six episodes and the failed attempt to bring in James Gandolfini as the new boss after Steve Carell left, spotlighting the incredible, genre-redefining show created by the family-like team, who together took a quirky British import with dicey prospects and turned it into a primetime giant with true historical and cultural significance. Hilarious, heartwarming, and revelatory, The Office gives fans and pop culture buffs a front-row seat to the phenomenal sequence of events that launched The Office into wild popularity, changing the face of television and how we all see our office lives for decades to come.

The Queen’s Gambit—Walter Tevis 2014-09-29 The basis for the hit Netflix series. When Walter Tevis did pool for in The Hustler, he does for chess in The Queen’s Gambit” (Playboy). When eight-year-old Beth Harmon’s parents are killed in an automobile accident, she’s placed in an orphanage in Mount Sterling, Kentucky. Plain and shy, Beth learns to play chess from the janitor in the basement and discovers she is a prodigy. Though penniless, she is desperate to learn more—and steals a chess magazine and enough money to enter a tournament. Beth also steals some of her foster mother’s tranquilizers to which she is becoming addicted. At thirteen, Beth wins the chess tournament. By the age of sixteen she is competing in the US Open Championship and, like Fast Eddie in The Hustler, she hates to lose. By eighteen she is the US champion—and Russia awaits . . . Fast-paced and elegantly written, The Queen’s Gambit is a thriller mesmerizing as a chess novel—no that’s sure to keep you on the edge of your seat. “The Queen’s Gambit is sheer entertainment. It is a book I reread every few years—for the pure pleasure and skill of it.” —Michael Ondaatje, Man Booker Prize-winning author of The English Patient

Stories I Only Tell My Friends—Rob Lowe 2011-04-26 A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood’s top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. The Outsiders placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on The West Wing, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the Eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe’s New York Times bestselling autobiography, Stories I Only Tell My Friends, shares tales that are as entertaining as they are unforgettable.

Cary Grant—Scott Eyman 2020-10-20 Film historian and acclaimed New York Times bestselling biographer Scott Eyman has written the definitive, “captivating” (Associated Press) biography of Hollywood legend Cary Grant, one of the most accomplished—and beloved—actors of his generation, who remains as popular as ever today. Born Archibald Leach in 1904, he came to America as a teenaged acrobat to find fame and fortune, but he was always haunted by his past. His father was a feckless alcoholic, and his mother was committed to an asylum when Archie was eleven years old. He believed her to be dead until he was informed she was alive when he was thirty-one years old. Because of this experience Grant would have difficulty forming close attachments throughout his life. He married five times and had numerous affairs. Despite a remarkable degree of success, Grant remained deeply conflicted about his past, his present, his basic identity, and even the public that he despised in movies such as Gunga Din, notorious for his family and Northwest. Drawing on Grant’s own papers, extensive archival research, and interviews with family and friends, this is the definitive portrait of a movie immortal.

Alcoholics Anonymous—Alcoholics Anonymous 2012-08

Sanford Meisner on Acting—Sanford Meisner 2012-11-07 Sanford Meisner was one of the best known and beloved teachers of acting in the country. This book follows one of his acting classes for fifteen months, beginning
American culture. pays homage to the idol whose life and death had a lasting impact on private journals, personal correspondence, and production files, Griffin details concerning Hudson's troubled relationships with wife Phyllis Gates and clandestine affairs, Hudson was continually threatened with public conservative era, Hudson's wholesome, straight arrow screen image was at deep conflict, and all too vulnerable human being. Growing up poor in Winnetka, Illinois, Hudson was abandoned by his biological father, abused by an alcoholic stepfather, and controlled by his domineering mother. Devastatingly handsome, broad-shouldered and clean-cut, Rock Hudson was the ultimate movie star. The embodiment of romantic masculinity in American film throughout the '50s and '60s, Hudson reigned supreme as the king of Hollywood. As an Oscar-nominated leading man, Hudson won acclaim for his performances in glossy melodramas (Magnificent Obsession), western epics (Giant) and blockbuster bedroom farces (Pillow Talk). In the '70s and '80s, Hudson successfully transitioned to television; his long-running series McMillan & Wife and a recurring role on Dynasty (Dynasty). In the '70s and '80s, Hudson successfully transitioned to television; his long-running series McMillan & Wife and a recurring role on Dynasty (Dynasty). Midnight Sun—Stephanie Meyer 2020-08-04 #1 bestselling author

Stephanie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts we see why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephanie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 New York Times BestsellerAn instant #1 USA Today BestsellerAn instant #1 Wall Street Journal #1 indieBestsellerApple Audiobook August Must-Listens Pick "People do not want to just read Meyer's books; they want to climb inside them and live there." — Time "A literary phenomenon." — New York Times

All That Heaven Allows—Mark Griffin 2018-12-04 SOON TO BE A MAJOR MOTION PICTURE The definitive biography of the deeply complex and widely misunderstood matinee idol of Hollywood's Golden Age. Devastatingly handsome, broad-shouldered and clean-cut, Rock Hudson was the ultimate movie star. The embodiment of romantic masculinity in American film throughout the '50s and '60s, Hudson reigned supreme as the king of Hollywood. Problems of the Actor - Primary Source Edition—Louis Calvert 2013-09-03 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were present when the book was first printed. But we have minimized these imperfections to help your reading experience. With the most rudimentary exercises and ending with affecting and polished scenes from contemporary American plays. Written in collaboration with Delmar Longwell and essential reading for aspiring and professional actors alike. Throughout these pages Meisner is a delight—always empathizing with his students and urging them onward, provoking emotion, laughter, and growth. The result is a riveting account that enriches our appreciation of this prophetic and still-startling film. This book tells the truth about her relationship with the reigning superstar of the time, her many other lovers, and the shocking suicide of her husband.

Sweet Tooth (2009) — Jeff Lemire 2013-08-06 In Captivity part 1! Take a look back at the first days of the apocalypse and the lengths to which Jepperd is forced to go in order to survive. Plus, discover more details about the disturbing fate of the young hybrid boy, Gus.

Things I Overheard While Talking to Myself—Alan Alda 2007-09-04 An insightful and funny look at some of the impossible questions Alan Alda has asked himself over the years: What do I value? What, exactly, is the good life? (And what does that even mean?) Picking up where his bestselling memoir left off, the charming and funny and thoughtful companion to Things I Know for Sure is introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Ballad of Songbirds and Snakes (A Hunger Games Novel)—Suzanne Collins 2020-05-19 Ambition will fuel him. Competition will drive him. But power has its price.

Go the F**k to Sleep—Adam Mansbach 2011-06-14 The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hey, no, you can’t go to the bathroom. You know where you can go? The F**k to sleep.” Go the F**k to Sleep is a book

Downloaded from eccales.honeywell.com on October 14, 2021 by guest
for parents who live in the real world, where a few snoozing kittens and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

**Switch** - Chip Heath 2010-02-16 Why is it so hard to make lasting changes in our companies, in our communities, and in our own lives? The primary obstacle is a conflict that’s built into our brains, say Chip and Dan Heath, authors of the critically acclaimed bestseller *Made to Stick*. Psychologists have discovered that our minds are ruled by two different systems - the rational mind and the emotional mind—that compete for control. The rational mind wants a great beach body; the emotional mind wants that Oreo cookie. The rational mind wants to change something at work; the emotional mind loves the comfort of the existing routine. This tension can doom a change effort - but if it is overcome, change can come quickly. In *Switch*, the Heaths show how everyday people - employees and managers, parents and nurses - have united both minds and, as a result, achieved dramatic results: • The lowly medical interns who managed to defeat an entrenched, decades-old medical practice that was endangering patients • The home-organizing guru who developed a simple technique for overcoming the dread of housekeeping • The manager who transformed a lackadaisical customer-support team into service zealots by removing a standard tool of customer service • In a compelling, story-driven narrative, the Heaths bring together decades of counterintuitive research in psychology, sociology, and other fields to shed new light on how we can effect transformative change. Switch shows that successful changes follow a pattern, a pattern you can use to make the changes that matter to you, whether your interest is in changing the world or changing your waistline.

**Acting in Film** - Michael Caine 2000-02-01 (Applause Books). A master actor who’s appeared in an enormous number of films, starring with everyone from Nicholson to Kermit the Frog, Michael Caine is uniquely qualified to provide his view of making movies. This revised and expanded edition features great photos, with chapters on: Preparation, In Front of the Camera Before You Shoot, The Take, Characters, Directors, On Being a Star, and much more. “Remarkable material ... A treasure ... I’m not going to be looking at performances quite the same way ... FASCINATING!” Gene Siskel

**If I Understood You, Would I Have This Look on My Face?** - Alan Alda 2017 The beloved actor shares fascinating and powerful lessons from the science of communication, and teaches readers to improve the way they relate to others using improv games, storytelling, and their own innate mind-reading abilities. With his trademark humor and frankness, Alan Alda explains what makes the out-of-the-box techniques he developed after his years as the host of *Scientific American Frontiers* so effective. This book reveals what it means to be a true communicator, and how we can communicate better, in every aspect of our lives-with our friends, lovers, and families, with our doctors, in business settings, and beyond.

**Never Have Your Dog Stuffed** - Alan Alda 2005-09-13 He’s one of America’s most recognizable and acclaimed actors—a star on Broadway, an Oscar nominee for *The Aviator*, and the only person to ever win Emmys for acting, writing, and directing, during his eleven years on M*A*S*H*. Now Alan Alda has written a memoir as elegant, funny, and affecting as his greatest performances. “My mother didn’t try to stab my father until I was six,” begins Alda’s irresistible story. The son of a popular actor and a loving but mentally ill mother, he spent his early childhood backstage in the erotic and comic world of burlesque and went on, after early struggles, to achieve extraordinary success in his profession. Yet *Never Have Your Dog Stuffed* is not a memoir of show-business ups and downs. It is a moving and funny story of a boy growing into a man who then realizes he has only just begun to grow. It is the story of turning points in Alda’s life, events that would make him what he is—if only he could survive them. From the moment a boy when his dead dog is returned from the taxidermist’s shop with a hideous expression on his face, and he learns that death can’t be undone, to his acceptance of his father, both personally and professionally, Alda learns the hard way that change, uncertainty, and transformation are what life is made of, and true happiness is found in embracing them. Never Have Your Dog Stuffed, filled with curiosity about nature, good humor, and honesty, is the crowning achievement of an actor, author, and director; but surprisingly, it is the story of a life more filled with turbulence and laughter than any Alda has ever played on the stage or screen.
