"Dazzling . . . A profound novel about the claims of identity, history, family, and the burdens of a broken world." —Maureen Corrigan, NPR's “Fresh Air” In the book of Genesis, when God calls out, “Abraham!” before ordering him to sacrifice his son, Isaac, Abraham responds, “Here I am.” Later, when Isaac calls out, “My father!” before asking him why there is no animal to slaughter, Abraham responds, “Here I am.” How do we fulfill our conflicting duties as father, husband, and son; wife and mother; child and adult? Jew and American? How can we claim our own identities when our lives are linked so closely to others? These are the questions at the heart of Jonathan Safran Foer's first novel in eleven years—a work of extraordinary scope and heartbreaking intimacy. Unfolding over four tumultuous weeks in present-day Washington, D.C., Here I Am is the story of a fracturing family in a moment of crisis. As Jacob and Julia Bloch and their three sons are forced to confront the distances between the lives they think they want and the lives they are living, a catastrophic earthquake sets in motion a quickly escalating conflict in the Middle East. At stake is the meaning of home—and the fundamental question of how much aliveness one can bear. Showcasing the same high-energy inventiveness, hilarious irreverence, and emotional urgency that readers loved in his earlier work, Here I Am is Foer's most searching, hard-hitting, and grandly entertaining novel yet. It not only confirms Foer's stature as a dazzling literary talent but reveals a novelist who has fully come into his own as one of our most important writers.

Here I Am-Jonathan Safran Foer 2016-09-06 The New York Times bestselling new novel about modern family lives from the author of Everything Is Illuminated and Extremely Loud and Incredibly Close Discover Jonathan Safran Foer's greatest novel yet. Towering and glorious: a tale of social, familial and marital breakdown and the End of the World. The funniest literary novel I have ever read' The Times Jacob and Julia Bloch are about to be tested . . . By Jacob's grandfather, who won't go quietly into a retirement home. By the family reunion, that everyone is dreading. By their son's heroic attempts to get expelled. And by the sexting affair that will rock their marriage. A typical modern American family, the Blochs cling together even as they are torn apart. Which is when catastrophe decides to strike . . . Confronting the enduring question of what it means to be human with inventiveness, playfulness and compassion, Here I Am is a great American family novel for our times, an unmissable read for fans of Jonathan Franzen and Michael Chabon, a masterpiece about how we live now. 'A rich, beautifully written, ambitious and grandly moving novel, which looks both at the world at large and at the deepest concerns of individual lives' Evening Standard 'Lays bare the interior of a marriage with such intelligence and deep feeling and pitiless clarity, it's impossible to read it and not re-examine your own family' Time 'Astonishing. So sad and so funny and so wry' Scotland on Sunday
Here I Am - Jonathan Safran Foer 2016-09-06
Longlisted for the 2017 International Dylan Thomas Prize
God asked Abraham to sacrifice his beloved son Isaac, and Abraham replied obediently, "Here I am." This is the story of a fracturing family in a moment of crisis. Over the course of three weeks in present-day Washington, D.C., three sons watch their parents' marriage falter and their family home fall apart. Meanwhile, a large catastrophe is engulfing another part of the world: a massive earthquake devastates the Middle East, sparking a pan-Arab invasion of Israel. With global upheaval in the background and domestic collapse in the foreground, Jonathan Safran Foer asks us: What is the true meaning of home? Can one man ever reconcile the conflicting duties of his many roles—husband, father, son? And how much of life can a person ultimately bear?

Hey World, Here I Am - Jean Little 1990-04-25
Kate Bloomfield is back! Here I Am - Pauline Holdstock 2019-09-24
Sometimes I forget that MyMum is dead. But that is probably better than remembering. When Frankie's mother dies, the six-year-old comes up with a plan: go to France, find a police station, and ask the officers to ring his father—and so begins Giller-nominated Pauline Holdstock's eighth novel. Narrated in turns by Frankie, who likes cheese, numbers, the sea when it's pink and "smooth like counting," and being alone when he feels bad, and a cast of characters that includes his Gran and his father, Here I Am! is a mesmerizing story about innocence lost and found.

Here I Am - Alan Huffman 2013-03-12 “Not only does Huffman bring Tim back to life . . . but he also leads us through some of the most harrowing combat of our generation” (Sebastian Junger, New York Times–bestselling author of Tribe). Tim Hetherington (1970–2011) was one of the world’s most distinguished and dedicated photojournalists, whose career was tragically cut short when he died in a mortar blast while covering the Libyan Civil War. Someone far less interested in professional glory than revealing to the world the realities of people living in extremely difficult circumstances, Hetherington nonetheless won many awards for his war reporting, and was nominated for an Academy Award for his critically acclaimed documentary, Restrepo. In Here I Am, Alan Huffman tells Hetherington’s life story, and through it analyses, what it means to be a war reporter in the twenty-first century. Huffman recounts the cameraman’s life from his first interest in photography and war reporting, through his critical role in reporting the Liberian Civil War, to his tragic death in Libya. Huffman also traces Hetherington’s photographic milestones, from his iconic and prize-winning pictures of Liberian children, to the celebrated portraits of sleeping US soldiers in Afghanistan. “A powerfully written biography . . . This is poignant imagery and metaphor for the entire body of this extraordinary artist and humanist’s life.” —The Huffington Post

“Huffman excels at heightening the drama, depicting the rapid-fire action and constant danger of working among soldiers and guerrillas engaged in battle.” —The Boston Globe

“Huffman vividly chronicles the short life of a man drawn to danger zones to capture the horrors of modern warfare.” —Los Angeles Times

“Celebrate[s] Tim Hetherington’s life . . . Recount[s] his last days in Libya in excruciating detail.” —Time

Hello, Here I Am Kazuki Takamatsu 2015-02-14 The volume is the first monograph by the Japanese artist Kazuki Takamatsu, published on the occasion of his comeback with the solo show "Even a Doll Can Do It", from February 14th to April 4th, at the Dorothy Circus Gallery in Rome, the diamond point in the European Pop Surrealist scene. The artist puts up feminine bodies, half dolls, with Japanese features, painted in black and white through the depth mapping technique, which gets from digital research to gouache and acrylic painting, achieving a multilayered and tridimensional effect, full of transparencies, inspired by the holograms and the X-ray vision. The book, with its elegant cover and numerous images, allows the reader to discover Kazuki Takamatsu's iconography, its roots - from nature to manga - and the dialogue between popular culture, technology and the study of moods and states of mind. The result is an intimate universe, permeated by melancholy, in which the choice of monochromatism recalls the fight between the good and the evil, the marginal area between the light and the darkness.

**PJ Powers - Here I Am** - Marianne Thamm
2014-08-20 More than just a story about the personal journey of one of South Africa’s most beloved music icons, this extraordinary memoir of PJ Powers - or Thandeka, as she was affectionately renamed by Soweto crowds - is set against the turbulent backdrop of South Africa’s recent political history. It features a gallery of political leaders and international celebrities, including the likes of Nelson Mandela, Graça Machel, Chris Hani, Joaquim Chissano, Queen Elizabeth II, Brenda Fassie, Sharon Stone and Robert De Niro. On Republic Day 1982, a white rock and roll band called Hotline, wearing stonewashed jeans and sporting big hair, took an accidental sho’t left into Soweto - a detour that forever changed the life of their lead singer, PJ Powers. Hotline was the first all-white rock and roll band to “cross over” into highly segregated apartheid South Africa, making international headlines in the process. The prolific Powers went on to accomplish extraordinary heights as a solo artist with countless gold and platinum discs. Here I Am, written with Marianne Thamm, is an intimate and hilarious account of the life and times of one of this country’s most recognisable and enduring performers. From the dizzying heights of international stardom to the dark depths of her struggle with alcohol, this is a must-read to explore the heady mix of politics and music of the time.

Extremely Loud and Incredibly Close-Jonathan Safran Foer 2013-09-03 Jonathan Safran Foer emerged as one of the most original writers of his generation with his best-selling debut novel, Everything Is Illuminated. Now, with humor, tenderness, and awe, he confronts the traumas of our recent history. What he discovers is solace in that most human quality, imagination. Meet Oskar Schell, an inventor, Francophile, tambourine player, Shakespearean actor, jeweler, pacifist, correspondent with Stephen Hawking and Ringo Starr. He is nine years old. And he is on an urgent, secret search through the five boroughs of New York. An inspired innocent, Oskar is alternately endearing, exasperating, and hilarious as he careens from Central Park to Coney Island to Harlem on his search. Along the way he is always dreaming up inventions to keep those he loves safe from harm. What about a birdseed shirt to let you fly away? What if you could actually hear everyone's heartbeat? His goal is hopeful, but the past speaks a loud warning in stories of those who've lost loved ones before. As Oskar roams New York, he encounters a motley assortment of humanity who are all survivors in their own way. He befriends a 103-year-old war reporter, a tour guide who never leaves the Empire State Building, and lovers enraptured or scorned. Ultimately, Oskar ends his journey where it began, at his father's grave. But now he is accompanied by the silent stranger who has been renting the spare room of his grandmother’s

We Are the Weather-Jonathan Safran Foer 2019-09-17 In We Are the Weather, Jonathan Safran Foer explores the central global dilemma of our time in a surprising, deeply personal, and urgent new way. Some people reject the fact, overwhelmingly supported by scientists, that our planet is warming because of human activity. But do those of us who accept the reality of human-caused climate change truly believe it? If we did, surely we would be roused to act on what we know. Will future generations distinguish between those who didn’t believe in the science of global warming and those who said they accepted the science but failed to change their lives in response? The task of saving the planet will involve a great reckoning with ourselves—with our all-too-human reluctance to sacrifice immediate comfort for the sake of the future. We have, he reveals, turned our planet into a farm for growing animal products, and the consequences are catastrophic. Only collective action will save our home and way of life. And it all starts with what we eat—and don’t eat—for breakfast.
