Bulgaria (Other Places Travel Guide)-Leslie Strnadel 2012 Once hidden behind the Iron Curtain, Bulgaria has slowly emerged as a refreshing European travel destination. The country's unique culture, rich history and natural beauty will captivate first-time visitors and have them coming back for more. Leslie and Patrick,
the authors, served as Peace Corps Volunteers in Bulgaria, each spending over two years in the country. They lived, worked and played in local communities of Bulgaria while experiencing everything this Eastern European country has to offer. With the help of a national network of locals and expats, they have shared their unique insight and insider information throughout this book. To experience the real Bulgaria and to travel like a local, this book is a must.

National Institute of Allergy and Infectious Diseases, NIH-Vassil St. Georgiev 2008-08-22
For over 50 years, the mission of the National Institute of Allergy and Infectious Diseases (NIAID) has been to conduct and support basic and applied research to better understand, treat, and prevent infectious, immunologic, and allergic diseases with the ultimate goal of improving the health of individuals in the United States and around the world. As part of its mission to foster biomedical discovery and to reduce the burden of human disease, NIAID is committed to encouraging the accelerated translation of biomedical discoveries into effective clinical care and public health practice throughout the world. In pursuit of this goal and its disease-specific scientific objectives, NIAID seeks to broaden research opportunities and collaborations involving scientists and institutions outside the United States. National Institute of Allergy and Infectious Diseases, NIH: Volume 1, Frontiers in Research contains presentations given at the 2006 NIAID Research Conference held in Opatija, Croatia which brought internationally known researchers from the United States and Central and Eastern Europe to focus together on shared interests in microbiology, infectious disease, HIV/AIDS, and basic and clinical immunology. Some of the topics covered include emerging and re-emerging infections, the development of infectious disease prophylactics and therapeutics, drug resistance, and various topics in immunomodulation, autoimmunity, infections and immunity, and the development of
Software design engineering, and others. Part IV of the set includes the papers on Urban and Regional Planning and the proceedings of the following workshops: International Workshop on Blockchain and Distributed Ledgers: Technologies and Applications (BDLTA 2021); International Workshop on Computational and Applied Mathematics (CAM 2021); International Workshop on Computational and Applied Statistics (CAS 2021); International Workshop on Computerized Evaluation of Economic Activities: Urban Spaces (CEEA 2021). The chapters "Automated Housing Price Valuation and Spatial Data", "Spatial Automated Valuation Model (sAVM) - from the notion of space to the design of an evaluation tool", and "A MCDA/GIS-based approach for evaluating accessibility to health facilities" are published open access under a CC BY license (Creative Commons Attribution 4.0 International License).

**Between Latitudes**-Edwin M. Woods 2011-08-10 A travelogue with a personal touch relating day to day experiences of the author in essay form. The author tells of adventures in Mongolia and Siberia with smugglers on the train, visits nomads in the Gobi, Lake Baikal in Siberia, the Great Wall of China, and Forbidden City. He visits the Irish and backpacks in Tuscany; cruises across the Atlantic to visit England; explores the regions of France; and satisfies his curiosity about the Lapland provinces of Finland, Norway, and Sweden. In the developing countries of southeastern Europe, he sees Gypies, horse-drawn carts alongside automobiles, and Vlad's Castle in Transylvania; takes in the beautiful scenery of the Dalmatian Coast; visits Bosnia, with its bullet holes in buildings. "Between latitudes" from the top of Europe and the Arctic Circle to the bottom of South America, he visits the Chilean fjords and sails around Cape Horn and hikes along Iguazu Falls.
