The Missional Mom-Helen Lee 2011-01-01 Do you see motherhood as a mission and divine calling? Today's Christian moms come from a full range of personal and professional contexts, whether they are homemakers, full-time workers in the marketplace, or somewhere in between. Yet many Christian mothers are living missional lives, using their gifts and abilities to further God's kingdom by engaging the world around them. They artfully, passionately, and sometimes messily juggle multiple callings and demonstrate in their modern-day contexts how they are emulating the woman of noble character in Proverbs 31. The Missional Mom will affirm Christian mothers who desire to not only to build their homes in a Christ-like way, but also engage the world with their skills, abilities, and interests. It won't minimize the importance of a woman's role in her home, but it will encourage her to not ignore the stirrings God has planted within her to extend her influence.

**Godshot**-Chelsea Bieker 2020-03-31 This “fiercely written and endlessly readable” novel of a teenage girl in thrall to a magnetic—and terrifying—preacher who promises to save her dying town is “a godsend” (Entertainment Weekly). Drought has settled on the town of Peaches, California. The area of the Central Valley where fourteen-year-old Lacey May and her alcoholic mother live was once an agricultural paradise. Now it's an environmental disaster, a place of cracked earth and barren raisin farms. In their desperation, residents have turned to a cult leader named Pastor Vern for guidance. He promises, through secret “assignments,” to bring the rain everybody is praying for. Lacey has no reason to doubt the pastor. But then her life explodes in a single
unimaginable act of abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of Pastor Vern’s shocking plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. With her only guidance coming from the romance novels she reads and the unlikely companionship of the women who knew her mother, she must find her own way through unthinkable circumstances. Possessed of an unstoppable plot and a brilliantly soulful voice, Godshot is a book of grit and humor and heart, a debut novel about female friendship and resilience, mother-loss and motherhood, and seeking salvation in unexpected places. It introduces a writer who gives Flannery O’Connor’s Gothic parables a Californian twist and who emerges with a miracle that is all her own. “[A] haunting debut . . . This is a harrowing tale, which Bieker smartly writes through the lens of a teenager on the cusp of understanding the often fraught relationship between religion and sexuality . . . It’s a timely and disturbing portrait of how easily men can take advantage of vulnerable women—and the consequences sink in more deeply with each page.”—Annabel Gutterman, Time “Drawn in brilliant, bizarre detail—baptism in warm soda, wisdom from romance novels—Lacey's twin crises of faith and femininity tangle powerfully. Fiercely written and endlessly readable, a novel like this is a godsend. A–.”—Mary Sollosi, Entertainment Weekly “[An] absolute masterpiece . . . Imagine if Annie Proulx wrote something like White Oleander crossed with Geek Love or Cruddy, and then add cults, God, motherhood, girlhood, class, deserts, witches, the divinity of women . . . Terrifying, resplendent, and profoundly moving, this book will leave you changed.” —T Kira Madden, author of Long Live the Tribe of Fatherless Girls
