The Creation of the World and Other Business-Arthur Miller 2015-12-01 A master dramatist’s humorous retelling of the biblical creation story as a parable for our time Breathing new life into timeless biblical tales, Arthur Miller charmingly reimagines the Book of Genesis from the temptation of Adam and Eve to the fraternal tragedy of Cain and Abel. In the beginning, God, generally satisfied with his creation, is nonetheless perplexed by Adam and Eve—why won’t they multiply? It takes wily Lucifer to interest them in anything more than playing handball in the Garden of Eden, but their new knowledge comes at a price. The first family is exiled from paradise—just as Lucifer is banned from heaven—and a fallen, morally ambiguous state becomes the destiny of mankind. Though The Creation of the World and Other Business was Arthur Miller's first Broadway comedy, it is full of the searching insight and sparkling dialects that distinguish his best dramas.

Archibald's Ceiling, The Creation of the World and Other Business, The Crucible, The Golden Years (play), The Last Yankee, The Man Who Had All the Luck, The Price (play), The Ride Down Mt. Morgan. Excerpt: The Crucible is a 1953 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the U.S. government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Rev. Parsi is praying over his daughter, Betty Parsi, who lies as if unconscious in her bed. Conversations between Rev. A production and book of Arthur Miller’s After the Fall-John Harry Lutterbie 1973

Arthur Miller-Christopher Bigsby 2005 Publisher Description

Collected Essays-Arthur Miller 2016 "Arthur Miller was not only one of America's most important twentieth-century playwrights, but he was also one of its most influential literary, cultural, and intellectual voices. Throughout his career, he consistently remained one of the country's leading public intellectuals, advocating tirelessly for social justice, global democracy, and the arts. Theater scholar Susan C. W. Albright introduces this volume as a selection of Miller's finest essays, organized in three thematic parts: essays on the theatre, essays on specific plays like Death of a Salesman and The Crucible, and sociopolitical essays on topics spanning from the Depression to the twenty-first century. Written with playful wit, clear-eyed intellect, and above all, human dignity, these essays offer unmatched insight into the work of Arthur Miller and the turbulent times through which he guided his country”.

Focus-Arthur Miller 1949 A novel of man’s inhumanity to man and a brilliant study of everyday anti-semitism at work in society, Focus is set in Brooklyn in the last years of World War II. It is the story of Lawrence Newman, office worker and ordinary anti-semite, who suddenly is made a Jew when he begins to wear glasses. The changes in his appearance leads inevitably to him experiencing the bigotry of the neighbours he'd been friendly with before, and in due course he finds support and understanding with one of the very Jewish immigrants he had previously so despised. This haphazard novel, possibly the first in American literature to deal directly with anti-Semitism, is narrated with Miller's customary eloquence, and incorporates a cleverly-fashioned subplot concerning Newman's marriage to a woman whom he once refused to employ. This edition includes a preface entitled 'The Face in the Mirror: Anti-Semitism Then and Now', in which Miller writes: Focus is much involved with imperfections. Its central theme is the turning of the mind of an anti-Semitic man forced by his circumstances to see anew his own relationship to the Jew. This novel explores the consequences which unravel once L.

The Ride Down Mt. Morgan-Arthur Miller 1959-09-01 A car wreck on the slopes of Mt. Morgan puts poet and insurance tycoon Lyman Felt in the hospital. While Lyman recovers, two women meet in the hospital to discover that they are both married to him. With his secrets exposed, Lyman tries to justify himself to the two women—the prim, cultured Theo and the restless, ambitious Lise—at the same time hoping to convince himself that he is blameless. Moving between broad farce and delicate tragedy, The Ride Down Mt. Morgan reveals the struggle between honesty with others and honesty with oneself. This new edition incorporates the revisions Miller wrote for the acclaimed 1998 Public Theatre production starring Patrick Stewart.
