The Jerome Biblical Commentary-Raymond E. Brown 1984

Commentary on Matthew (The Fathers of the Church, Volume 117)-Saint Jerome 2008-12-01 His Commentary on Matthew, written in 398 and profoundly influential in the West, appears here for the first time in English translation. Jerome covers the entire text of Matthew’s gospel by means of brief explanatory comments that clarify the text literally and historically.

St. Jerome's Commentaries on Galatians, Titus, and Philemon-Saint Jerome 2010 St. Jerome is regarded as one of the four great doctors of the western Christian Church, with St. Ambrose, St. Augustine, and St. Gregory. Termed by the Council of Trent "the greatest doctor in explaining the Scriptures," the Latin Church regards St. Jerome as its preeminent scriptural commentator. Nevertheless, much of his prodigious exegetical output has never been translated into English. In this volume, Thomas Scheck provides the first translation in English (and in any modern language) of Jerome's important commentary on Galatians, with two shorter commentaries on Titus and Philemon.

The Cambridge History of the Bible: Volume 1, From the Beginnings to Jerome-P. R. Ackroyd 1983 Volume 3 covers the effects of the Bible on the history of the West between the Reformation and the publication of the New English Bible.

The Gospel of John-Jerome H. Neyrey 2007 This highly accessible 2007 commentary brings readers into the cultural world of the gospel.

The New Interpreter's Bible Commentary-Leander E. Keck 2015-10-20 The New Interpreter's Bible Commentary offers critically sound biblical interpretations. Guided by scholars, pastors and laity representing diverse traditions and academic experience, this collection of commentaries meets the needs of preachers, teachers, and all students of the Bible. Easy-To-Use Format A detailed, critical commentary providing an exegetical “close-reading” of the biblical text Reflections that present a detailed exposition of issues raised in the biblical text Introductions to each book that cover essential historical, sociocultural, literary, and theological issues An ecumenical roster of contributors Comprehensive, concise articles Numerous visual aids (illustrations, maps, charts, timelines) enhance use.

The Social World of Deuteronomy-Don C Benjamin 2017-04-27 The book of Deuteronomy is not an orphan. It belongs to a diverse family of legal traditions and cultures in the world of the Bible. The Social World of Deuteronomy: A New Feminist Commentary brings these traditions and cultures to life and uses them to enrich our understanding and appreciation of Deuteronomy today. Don C. Benjamin uses social-scientific criticism to reconstruct the social institutions where Deuteronomy developed, as well as those that appear in its traditions. He uses feministcriticism to better understand and appreciate how powerful elite males in Deuteronomy view not only the women, daughters, mothers, wives and widows in their households but also their powerless children, liminal people, slaves, prisoners, outsiders, livestock and nature. Through the lens of feminist theory, Benjamin explores important aspects of the daily lives of these often overlooked peoples in ancient Israel.

The Prophecy of Isaiah-J. Alec Motyer 2015-11-11 Presenting a wealth of comment and perspective on the book of Isaiah, J. Alec Motyer pays particular attention to three recurring themes: the messianic hope, the motif of the city, and the theology of the Holy One of Israel. This rich, accessible commentary is a wise, winsome and welcome guide to Isaiah for Christians today.

The New Interpreter's Bible Commentary offers critically sound biblical interpretations. Guided by scholars, pastors and laity representing diverse traditions and academic experience, this collection of commentaries meets the needs of preachers, teachers, and all students of the Bible. Easy-To-Use Format A detailed, critical commentary providing an exegetical “close-reading” of the biblical text Reflections that present a detailed exposition of issues raised in the biblical text Introductions to each book that cover essential historical, sociocultural, literary, and theological issues An ecumenical roster of contributors Comprehensive, concise articles Numerous visual aids (illustrations, maps, charts, timelines) enhance use.

The Monk and the Book-Megan Hale Williams 2008-09-15 In the West, monastic ideals and scholastic pursuits are complementary; monks are popularly imagined copying classics, preserving learning through the Middle Ages, and establishing the first universities. But this dual identity is not without its contradictions. While monasticism emphasizes the virtues of poverty, chastity, and humility, the scholar, by contrast, requires expensive infrastructure—a library, a workplace, and the means of disseminating his work. In The Monk and the Book, Megan Hale Williams argues that Saint Jerome was the first to represent biblical study as a mode of asceticism appropriate for an inhabitant of a Christian monastery, thus pioneering the enduring linkage of monastic identities and institutions with scholarship. Revisiting Jerome with the analytical tools of recent cultural history—including the work of Bourdieu, Foucault, and Roger Chartier—Williams proposes new interpretations that remove obstacles to understanding the life and legacy of the saint. Examining issues such as the construction of Jerome's literary persona, the form and contents of his library, and the intellectual framework of his commentaries, Williams shows...
that Jerome's textual and exegetical work on the Hebrew scriptures helped to construct a new culture of learning. This fusion of the identities of scholar and monk, Williams shows, continues to reverberate in the culture of the modern university. "[Williams] has written a fascinating study, which provides a series of striking insights into the career of one of the most colorful and influential figures in Christian antiquity. Jerome's Latin Bible would become the foundational text for the intellectual development of the West, providing words for the deepest aspirations and most intensely held convictions of an entire civilization. Jerome's book does much to illuminate the circumstances in which that fundamental text was produced, and reminds us that great ideas, like great people, have particular origins, and their own complex settings."—Eamon Duffy, New York Review of Books

Harper's Bible Commentary-James Luther Mays 1988 Setting a new standard with its innovative and highly readable format, Harper's Bible Commentary features individual commentaries on each of the 84 books of the Old Testament, New Testament, and Apocrypha. 16 pages of color photos, 16 pages of color maps, and more.

HarperCollins Bible Commentary - Revised Edition-James L. Mays 2000-11-21 The Bible -- sacred scripture, literary classic, historical document. No matter how it is viewed, it remains the basis of much of Western culture. This fully revised edition of the HarperCollins Bible Commentary is the most up-to-date and accessible of any English Bible, and is designed to enable the reader to return to the text equipped to understand and interpreting the meaning of the Bible. The accessible and highly readable format sets a new standard for excellence. The Commentary covers all of the Hebrew Bible, as well as the books of the Apocrypha and those of the New Testament, and thus addresses the biblical canons of Judaism, Catholicism, Eastern Orthodoxy, and Protestantism. its innovative format covers the books of the Bible in three ways: General essays setting the literary, cultural, and historical context for the entire Bible Articles introducing major sections of the Bible Commentaries on the individual books themselves by the finest contemporary biblical scholars The HarperCollins Bible Commentary is unprecedented in its clarity, organization, and insight into the Bible. Helpful cross-references to its companion, the HarperCollins Bible Dictionary, mean that readers will have all they need to explore the riches of the Scriptures for years to come. Every section of the Commentary offers concise and authoritative guidance that will enable the reader to return to the text equipped to understand and appreciate the Bible more fully. Each of the eighty-three contributors to this splendid volume is a leading expert in his or her field and a member of the Society of Biblical Literature. They have produced a volume that belongs in homes, schools, houses of worship, and libraries -- wherever there is a Bible. General editor James L. Mays is the Cyrus McCormick Professor of Hebrew and the Old Testament Emeritus at Union Theological Seminary in Richmond, Virginia. He has served as president of the Society of Biblical Literature and is a widely respected author and editor.

A Critical and Exegetical Commentary on the Book of Esther-Lewis Bayles Paton 1916

The MacArthur Bible Commentary-John F. MacArthur 2005-05-08 The MacArthur Bible Commentary treats every passage of the OT and NT phrase by phrase, with hundreds of word studies as sidebars throughout.

Yountc English-Cardinal Christoph Schönborn 2011 Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

An Introduction to the Medieval Bible-Frans van Liere 2014-03-31 An accessible account of the Bible in the Middle Ages that traces the formation of the medieval canon.

Commentaries on the Four Last Books of Moses-Jean Calvin 1852

Coming Soon-Michael Barber 2005 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope for tomorrow. Coming Soon is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

Gleanings in Genesis-Arthur W. Pink 1922

King Josiah of Judah-Marvin A. Sweeney 2001-03-08 King Josiah of Judah is a figure of extraordinary importance for the history of Israel. Using synchronic and diachronic analyses of the Deuteronomic History, Deuteronomy, and selected prophetic books, Marvin Sweeney reconstructs the ideological perspectives of King Josiah's program of religious and national restoration.

Discovering Eve-Carol Meyers 1991-01-10 This groundbreaking study looks beyond biblical texts, which have had a powerful influence over our views of women's roles and worth, in order to reconstruct the typical everyday lives of women in ancient Israel. Meyers argues that biblical sources alone do not give a true picture of ancient Israelite women because they were often excluded from religious privilege. Urban elite males wrote the vast majority of the scriptural texts and the stories of women in the Bible concern exceptional individuals rather than ordinary Israelite women. Analyzing the biblical material in light of recent archaeological discoveries about rural village life in ancient Palestine, Meyers depicts Israelite women not as submissive chattle in an oppressive patriarchy, but rather as strong and significant actors within their families and society.

Joshua-Peter F. D. Crusey 2011-12-15 This commentary clearly presents the episodes in the book of Joshua as the people of Israel face the challenges of entering into the land of promise. Both the historical and theological meanings of the book are presented throughout this most helpful commentary. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

Adopting the Stranger as Kindred in Deuteronomy-Mark R. Glanville 2018-11-02 Investigate how Deuteronomy incorporates vulnerable displaced people Deuteronomy addresses social contexts of widespread displacement, an issue affecting 65 million people today. In this book, Mark R. Glanville investigates how Deuteronomy fosters the integration of the stranger as kindred into the community of Yahweh. According to Deuteronomy, displaced people are to be enfolds within the household, within the clan, and within the nation. Glanville argues that Deuteronomy demonstrates the immense creativity that communities may invest in enfolding displaced and vulnerable people. Inclusivism is nourished through social law, the law of judicial procedure, communal feasting, and covenant renewal. Deuteronomy's call to include the stranger as kindred presents opportunities for contemporary nation-states with an opportunity and a responsibility to reimage themselves and their disposition toward displaced strangers today. Features: Exploration of the relationship of ancient Israel’s social history to biblical texts An integrative methodology that brings together literary-historical, legal, sociological, comparative, literary, and theological approaches A thorough study of Israelite identity and ethnicity

You Can Understand the Bible-Dr Bob Utley 2017-04-25 Biblical interpretation is a rational and spiritual process that attempts to understand an ancient inspired writer in such a way that the message from God may be understood and applied in our day. The spiritual process is crucial but difficult to define. It does involve a yieldedness and openness to God. There must be a hunger (1) for Him, (2) to know Him, and (3) to serve Him. This process involves prayer, confession, and the willingness for lifestyle change. The Spirit is crucial in the interpretive process, but why sincere, godly Christians understand the Bible differently is a mystery. The rational process is easier to describe. We must be consistent and fair to the text and
not be influenced by our personal, cultural, or denominal biases. We are all historically conditioned. None of us are objective, neutral interpreters. This has led to a call for a process consisting of four interpretive principles that helps us understand the text. These principles contain four interpretive structures to help us overcome our biases. First Principle The first principle is to note the historical setting in which a biblical book was written and the particular historical occasion for its authorship (or when it was edited). The original author had a purpose and a message to communicate. The text cannot mean something to us that it never meant to the original, ancient, inspired author. His intention-not our historical, emotional, cultural, personal, or denominational need-is the key. Application is an integral part of interpretation, but proper interpretation must always precede application. It must be reiterated that every biblical text has one and only one meaning. This meaning is what the original historical author intended through the Spirit's leadership to communicate to his day. One meaning may have many possible applications to different cultures and situations. These applications must be linked to the central truth of the original author. For this reason, this study guide commentary is designed to provide a brief introduction to each book of the Bible. Second Principle The second principle is to identify the literary units. Every biblical book is a unified document. Interpreters have no right to isolate one aspect of truth by excluding others. Therefore, we must strive to understand the purpose of the whole biblical book before we interpret the individual literary units. The individual parts-chapters, paragraphs, or verses—cannot mean what the whole unit does not mean. Interpretation must move from a deductive approach of the whole to an inductive approach to the parts. Therefore, this study guide commentary is designed to help the student analyze the structure of each literary unit by paragraphs. Paragraph and chapter divisions are not inspired, but they do aid us in identifying thought units. Third Principle The third principle is to read the Bible in different translations in order to grasp the widest possible range of meaning (semantic field) that biblical words or phrases may have. Often a phrase or word can be understood in several ways. These different translations bring out these options and help to identify and explain the manuscript variations. These do not affect doctrine, but they do help us to try to get back to the original text penned by an inspired ancient writer. Fourth Principle The fourth principle is to note the literary genre. Original inspired authors chose to record their messages in different forms (e.g., historical narrative, historical drama, poetry, prophecy, gospel [parable], letter, apocalyptic). These different forms have special keys to interpretation. This Textbook offers a quick way for the student to check his interpretations. It is not meant to be definitive, but rather informative and thought-provoking. These principles have helped me to overcome much of my historical conditioning by forcing me to struggle with the ancient text. My hope is that it will be a blessing to you as well. Dr. Bob Utley

Interpreting Judean Pillar Figures—Erin Darby 2014-09-11 “Judean Pillar Figures regularly appear in discussions about Israelite religion, monothemia, and female practice. Erin Darby uses Near Eastern texts, iconography, the Hebrew Bible, and the archaology of Jerusalem to explore figure function, the gender of figure users, and the relationship between Judean figures and the Assyrian Empire”--Back cover.

The International Bible Commentary—William R. Farmer 2004

Commentary on Isaiah—Saint Jerome 2015 Jerome is best known as the translator of the Latin Vulgate Bible. In medieval times, Jerome was declared to be one of the four great Doctors of the Latin church. The Council of Trent declared him to be “the greatest doctor in the explanation of Holy Scripture.” Jerome’s commentary on Isaiah is his longest extant work and considered to by many to be his magnum opus. Scheck has offered the ancient tradition to be definitive, but rather informative and thought-provoking. Consequently, this world-weary lament is the work of Solomon in old age. Its message is one of despondency. Ecclesiastes or, The Preacher—Doris Lessing 1999-01-01 Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

Mind Gym—Gary Mack 2002-06-24 Praise for Mind Gym “Believing in yourself is paramount to success for any athlete. Gary’s lessons and David’s writing provide examples of the importance of the mental game.”—Ben Crenshaw, two-time U.S. Open and Masters champion. “-Ken Grifey Jr., Major League Baseball MVP “I read Mind Gym on my way to the Sydney Olympics and really got a lot out of it. Gary has important lessons to teach, and you’ll find the exercises fun and beneficial.”—Jason Kidd, NBA All-Star and Olympic gold-medal winner In Mind Gym, noted sports psychology consultant Gary Mack explains how your mind influences your performance on the field or on the court as much as your physical skill does, if not more so. Through forty accessible lessons and inspirational anecdotes from prominent athletes—many of whom he has worked with—you will learn the same techniques and exercises Mack uses to help elite athletes build mental “muscle.” Mind Gym will give you the “head edge” over the competition.

Psalms—Willem A. VanGemenen 2017-03-07 Continuing a Gold Medallion Award-winning legacy, this completely revised edition of The Expositor’s Bible Commentary series puts world-class biblical scholarship in your hands. Based on the original twelve-volume set that has become a staple in college and seminary libraries and pastors’ studies worldwide, this new thirteen-volume edition marshals the most current evangelical scholarship and resources. The thoroughly revised features consist of: • Comprehensive introductions • Short and precise bibliographies • Detailed outlines • Insightful expositions of passages and verses • Overviews of sections of Scripture to illuminate the big picture • Occasional reflections to give more detail on important issues • Notes on textual questions and special problems, placed close to the texts in question • Translations and translations of Hebrew and Greek words, enabling readers to understand even the more technical notes • A balanced and respectful approach toward marked differences of opinion

Social World of Ancient Israel—Don C. Benjamin 2005-07-01 Getting a fix on the social context of the Hebrew Bible is imperative for anyone...
reconstructing either the “story” of the text or the “history” behind the text. Resources in this area often prove overspecialized and arcane, and can require highly sophisticated skills in cultural anthropology or Semitic languages just to read the table of contents. Social World of Ancient Israel, 1250-587 BCE offers those interested in learning about the biblical world a more user-friendly framework for viewing the broader picture; at the same time it relies upon the latest methodologies of cultural anthropology and biblical analysis in its presentation. Painting a picture in broad but precise strokes, the authors portray the landscape of ancient Israel in new and exciting colors that expert and student alike will appreciate. Social World of Ancient Israel takes a unique look at the most prominent social institutions of the world of early Israel and the period of the monarchy, and then shows how properly understanding these social institutions is essential for sound biblical interpretation. Immersing the reader into five major areas of daily life in antiquity—politics, economics, diplomacy, law, and education—Matthews and Benjamin explore the ways in which knowing how “players” function in these institutions, such as “father/mother;”, “prophet/wise one;,” “host/stranger;,” can shape our understanding of earliest Israel. Perhaps most significantly, the book gently exposes the inefficiency of past anthropological models for interpreting the relationships, attitudes and social conventions of earliest Israel. Its corrective insights will enable scholar and student alike to plot new approaches for studying the Hebrew Bible and the ancient people of Israel.
