**Hard Luck**-Steve Springer 2011-04-01 The story of boxing legend Jerry Quarry has it all: rags to riches, thrilling fights against the giants of the Golden Age of Heavyweights (Ali—twice, Frazier—twice, Patterson, Norton), a racially and politically electric sports era, the thrills and excesses of fame, celebrities, love, hate, joy, and pain. And tragedy. Like the man he fought during two highly controversial fight cards in 1970 and '72—Muhammad Ali—boxing great Jerry Quarry was to suffer gravely. He died at age fifty-three, mind and body ravaged by Dementia Pugilistica. In Hard Luck, “Irish” Jerry Quarry comes to life—from his Grapes of Wrath days as the child of an abusive father in the California migrant camps to those as the undersized heavyweight slaying giants on his way to multiple title bouts and the honor of being the World's Most Popular Fighter in '68, '69, '70, and '71. The story of Jerry Quarry is one of the richest in the annals of boxing, and through painstaking research and exclusive access to the Quarry family and its archives, Steve Springer and Blake Chavez have captured it all.

**Ghosts of Manila**-Mark Kram, Jr. 2009-06-09 When Muhammad Ali met Joe Frazier in Manila for their third fight, their rivalry had spun out of control. The Ali-Frazier matchup had become a madness, inflamed by the media and the politics of race. When the "Thrilla in Manila" was over, one man was left with a ruin of a life; the other was battered to his soul. Mark Kram covered that fight for Sports Illustrated in an award-winning article. Now his riveting book reappraises the boxers -- who they are and who they were. And in a voice as powerful as a heavyweight punch, Kram explodes the myths surrounding each fighter, particularly Ali. A controversial, no-holds-barred account, Ghosts of Manila ranks with the finest boxing books ever written.

A Month in the Country - J.L. Carr 2012-08-29
In J. L. Carr’s deeply charged poetic novel, Tom Birkin, a veteran of the Great War and a broken marriage, arrives in the remote Yorkshire village of Osgodby where he is to restore a recently discovered medieval mural in the local church. Living in the bell tower, surrounded by the resplendent countryside of high summer, and laboring each day to uncover an anonymous painter’s depiction of the apocalypse, Birkin finds that he himself has been restored to a new, and hopeful, attachment to life. But summer ends, and with the work done, Birkin must leave. Now, long after, as he reflects on the passage of time and the power of art, he finds in his memories some consolation for all that has been lost.

Prepare to Die! - Paul Tobin 2012-06-05

Now, after years of extraordinary adventures and crushing tragedies, the world’s greatest hero is returning to where it all began in search of the boy he once was . . . and the girl he never forgot. Exciting, scandalous, and ultimately moving, Prepare to Die! is a unique new look at the last days of a legend.

**1969 Miracle Mets**-Steven Travers 2006-03-17 In the popular 1977 movie “Oh, God!” George Burns, playing the deity, is asked in a courtroom to prove His divinity by performing a miracle. Burns tells the attorney, “The last miracle I did was the 1969 Mets. Before that, I think you have to go back to the Red Sea." Man has engaged in athletic competition at least since the ancient Greeks. Baseball has been played, according to legend, since Abner Doubleday invented it at Cooperstown, New York in 1839. Through the travail of ages, in the entire history of sports, the 1969 "Amazin' Mets" remains the single most impossible, unbelievable, improbable and wonderful sports story of all times. This book tells the tale of that incredible spring, summer and fall, but it does much more than simply recount how the worst sports franchise ever ascended to the very heights of greatness in a few short months. The Last Miracle is the story of tumultuous times: the 1960s. Amidst the backdrop of the Vietnam War, the Mets remained the last, best hope of a city on the verge of bankruptcy. Through the lens of time we now can view them as a metaphor for a changing America, and in light of the Big Apple's phoenix-like comeback over the years, the catapult for this battered-yet-unbowed Metropolis. Somehow, while the Mets became the mods of baseball, the
"new breed" athlete, Tom Seaver and his teammates are viewed herein as the final symbols of an innocent age; an age when the greatest icons in American culture - New York sports heroes - mounted the stage in awesome splendor; before Watergate, before free agency, before the mercenaries took over. Here they are: Seaver and Harrelson; Hodges and Stengel; Grote and Swoboda; Jones and Agee; all the characters of the greatest comedy act ever performed, all the while upstaging a tempestuous Mayoral race, President Nixon's "secret plan," a Moonshot, and Woodstock.

**Pride Of The Sea**-Tom Waldron 2005-05 On a warm spring morning in May 1986, twelve crew members were crossing the Atlantic on perhaps the most historically accurate sailboat of its day, the Pride of Baltimore. The wind was brisk, the mood was relaxed: they were on the journey home. Within hours, a sudden, fierce storm would overwhelm the ship, leaving four sailors dead and eight locked in a terrifying battle against the sea.

**A Separate Peace**-John Knowles 1984-12 John Knowles' beloved classic has been a bestseller for more than 30 years and is one of the most moving and accurate novels about the trials and confusions of adolescence ever written. Set at an elite boarding school for boys during World War II, A Separate Peace is the story of friendship and treachery, and how a tragic accident involving two young men forever tarnishes their innocence.

**Hands of Stone**-Christian Giudice 2016-04-06
ROBERTO DURAN is a sporting legend. Often called the greatest boxer of all time, he held world titles at four different weights and is the only professional in history to have fought in five different decades. His bouts with fellow greats like Sugar Ray Leonard, Thomas Hearns and Marvin Hagler have gone down in fistic folklore and his pro record of 104 wins, 69 by KO, in 120 fights puts him in an elite group of fighters. They called him Manos de Piedra: “Hands of Stone”. American journalist Christian Guidice has written the first - and definitive - story of Duran’s extraordinary life both in and out of the ring. He
has interviewed the fighter himself, his family and closest friends and scores of his opponents to separate truth from myth and get to the heart of one of the most intriguing sports stars of modern times. Duran was born in utter poverty in the Panama Canal Zone, the illegitimate son of a serving US soldier and a local girl. He grew up in the streets, fighting to survive. His talent with his fists was soon apparent, and on one fabled occasion he even knocked down a horse with a single punch for a bet. He grew into a fighter’s fighter, and his willingness to take on anyone, anywhere, anytime and never take a step back made him a huge favorite. From his wild early bouts to his stunning boxing debut in New York, Giudice traces the blazing trail of his career: the controversial title win over Scot Ken Buchanan; his unification of the lightweight crown against great rival Esteban DeJesus; his glorious defeat of Ray Leonard and the subsequent debacle of the No Más encounter; his ferocious comeback and redemption, and the long, eventful twilight of his matchless career. Here also are both the public and private sides of Duran: his volatility, his kindness and reckless generosity, his partying, his links with the notorious regime of General Noriega, and above all his chilling love of battle.

**Hustler & The Champ** - R. A. Dyer 2007-10-01
In the tradition of Pulitzer Prize nominated,
Positively Fifth Street, here is a riveting account of a high stakes shoot-out between pool's two most famous personalities. It was Valentine's Day, 1978, and Howard Cosell was hosting the long-awaited show-down between the best-ever tournament player, Willie Mosconi, and the game's most famous hustler, Minnesota Fats. This was The Great Pool Shoot-Out, one of the most highly rated televised sporting events of the year, exceeding even World Series games and basketball championships. R.A. Dyer, author of the best-selling Hustler Days, which recounts the rise of pool during the 1960s, writes of the acrid, but mutually beneficial rivalry between Fats and Mosconi, and how the televised shoot-outs came to embody that rivalry, which was nothing less than a bitter rift within the soul of American pocket billiards. Fats and Mosconi were born the same year, but were vastly different characters: one stood for artistry, the other for show business; one brought dignity to pool, the other made it fun. They are without a doubt the two most important players ever to hold a cue. This is the ultimate tale of American sportsmanship.

R.A. Dyer is a columnist for Billiards Digest, and lives in Austin, Texas.

I read roughly 50 to 60 books a year, mostly non-fiction but sometimes I need a break and mix in some fiction. This was by far one of the best fiction books I've read in my life! Sort of an Ayn Rand, Atlas Shrugged theme mixed with modern day scenarios mixed with science fiction. That combination makes for a truly fun and entertaining read. -Robert Stifler - This book should be required reading for every out of touch liberal. It is fiction and we should all hope that the opening chapters remain so. This book would make a really good movie! -Dorothy Cronin- Mr. Salcedo did a fine job keeping me entertained in a fun story that, for a time, allowed me to escape
the oppression that progressive government is working so diligently to implement. I would encourage the author to consider a sequel. -Lone Star Girl-

Boyhood in the 1960s and ‘70s was a time for exploration and mischief. Author Michael Tougias found more than his share of misadventures in the woods and on the water: some life-threatening but others innocently hilarious. Over time – and after reading a multitude of adventure books -- these experiences took shape in his quest to be a mountain man, owning a cabin in the forest and living off the land. Part of that dream would come true, but only after a family tragedy that shook his world and forced changes in his life. This is also a story of a complex and strained relationship between father and son, the efforts at understanding, and ultimately respect and devotion. In The Waters Between Us Tougias channels Bryson’s “A Walk in the Woods” to mix laugh out loud humor with insight into the natural world through the eyes of a curious boy. Tougias is a New York Times Bestselling author and co-author of 31 books, including There’s A Porcupine In My Outhouse (Winner of the Independent Publishers “Best Nature Book of the Year”) and The Finest Hours (inspiration for a 2016 Disney movie). He has received many writing awards.

**Vinnie and Mook**-Mitch Hyman 2015-10-18

Vinnie Testeroni and Mook Chichinski were in the business of delivering death - and business was very good. But Vinnie was tired of "the life" and everything that came with it - like always having to look over his shoulder. He wanted to do something where the worst that could happen was getting a fishing hook in the hand instead of a bullet in the head: and that "something" was owning the Too Tough to Tackle bait and tackle store in the Florida Keys. Unfortunately, fate had a different plan for Vinnie, Mook, their friends - and their enemies. For the first time inside the same cover, you can read the novella that started it all - Hook, Line & Sinker - and Hitmen in Paradise - the novel that answered the question, "How DOES a hitman kill something that's already dead?" So, hide your gun in your tackle box, put on your SPF 500 sunblock and follow Vinnie and Mook from the undying in the swamps of Orlando to the undead of the Caribbean. Oh, and don't eat the cookies.
